11th January 2019

Dear Parent,

Doncaster College Taster Day for Year 9 Students

Your child has been selected to attend the Doncaster College 'Year 9 Taster Day' event on Monday 21st January.

Throughout the day our students will be learning information about what options are available to them after their GCSEs. The day will involve students sampling taster sessions based around Level 3 and 4 qualifications and Apprenticeships. Students will also get the opportunity to meet and work with current students, who will be able to answer any questions about Post 16 life. This day will provide essential information that will help students make the right subject choices at our 'Careers and Progression Evening' on Tuesday 29th January.

Students will leave school at 9.00am prompt and return at 2.45pm. Coach transport to and from the event and lunch will be provided by Doncaster College and HeppSY+ who are hosting the event.

If you have any immediate questions, please feel free to contact me at school. Many thanks again for your continued support.

Yours sincerely,

Miss H Baker
Year 9 Progress Leader

Please return the completed reply slip to Miss Baker, by Thursday 17th January:

Student Name: _____

My child is ***able / unable** to attend the event '**Year 9 Taster Day' on Monday 21st January.**
***please delete as application**
