16 to 19 Bursary Scheme

Application form and guidance

What is the 16 to 19 school bursary scheme?

The scheme provides financial help to young people aged 16 to 19 who face financial barriers to participating in education or training, provided they meet agreed standards of attendance, attainment and behaviour as determined by each school, college or other education provider.

Who is eligible for the bursary scheme?

The 16 to 19 bursary scheme offers three types of potential funding for eligible students. You can only apply for **one** type, depending on your personal circumstances.

The Vulnerable Bursary

To be eligible for the vulnerable bursary **you** must meet **all four** of the following conditions:

1. be starting Year 12, 13 or 14 in September 2023
2. be aged between 16 and 18 on 31 August 2023
3. be enrolled on a full programme of study within Campsmount Sixth Form
4. belong to one of the following groups:
 - be in care; or
 - have left care having been in care for a minimum of 13 weeks since the age of 14; or
 - be receiving income support, or Universal Credit because you are financially supporting yourself or financially supporting yourself and someone who is dependent on you and living with you such as a child or partner; or
 - be receiving Disability Living Allowance or Personal Independence Payments in your own right as well as Employment and Support Allowance or Universal Credit in your own right

The Discretionary Bursary

To be eligible for the discretionary bursary **you** must meet **all four** of the following conditions:

1. be starting Year 12, 13 or 14 in September 2023
2. be aged between 16 and 18 on 31 August 2023
3. be enrolled on a full programme of study within Campsmount Sixth Form
4. live in a household with an annual income **below £21,500** before tax and national insurance

The Discretionary Support Fund Grant

In addition to the two bursaries outlined above there may be some funding available through the Discretionary Support Fund to assist eligible students. This support grant may be in the form of a bursary payment or a one-off contribution towards the cost of course equipment, school transport, trips, materials, UCAS fees. **There is no guarantee that any payment will be possible under this discretionary fund.**

To be eligible to apply for support from this fund you must meet **all four** of the following conditions:

1. be starting Year 12, 13 or 14 in September 2023
2. be aged between 16 and 18 on 31 August 2023
3. be enrolled on a full programme of study within Campsmount Sixth Form
4. live in a household with an annual income **between £21,500 and £26,500** before tax and national insurance

How much money will I get and when will it be paid?

If you are eligible for the **vulnerable bursary** you will be entitled to a total of £1,200 for the full academic year, paid in equal instalments in arrears at the end of each half term.

If you are eligible for the **discretionary bursary** it is expected that you will be entitled to receive between £10 to £15 per week during term time (up to a maximum of 38 weeks), paid in arrears at the end of each half term. The exact amount payable will depend on the number of successful applications received, since the amount of funding for the scheme is limited.

If you are eligible for a potential grant from the **discretionary support fund**, this payment may take the form of a small weekly bursary paid on the same basis as the discretionary bursary outlined above or it may be a one-off contribution towards the specific expenses you have outlined in your application (see section 1.5). Payments under this element of the scheme are not guaranteed, they are subject to the availability of sufficient funding, since the amount of funding available is limited.

Payments will only be made after it has been confirmed that you have met the terms of your Learner Agreement.

What can I use the bursary for?

The bursary is to help with costs related to your studies, for example transport, books and equipment, and other costs associated with your course.

Are there any conditions attached to the scheme?

Yes. You will be required to meet the agreed standards set by the school relating to attendance, behaviour and progress in your studies. The specific requirements will be detailed in a 'Learner Agreement' which you will be required to sign, but it will include:

- 100% attendance (please note that school authorised absences will not count against students for bursary purposes e.g. University Visits, hospital appointments etc.).
- Good Punctuality – a maximum of 1 late mark per week
- Appropriate Behaviour – no breach of any of the school's code of conduct/behaviour policy.

Your bursary award will be conditional on you meeting the requirements of your Learner Agreement.

How do I apply?

1. Complete the application form at the back of this pack.
2. If you are applying for the Discretionary Bursary or a contribution from the Discretionary Support Fund, your parent or carer also needs to complete part of the form.
3. Attach evidence of your financial or living situation to support your application. These must be the original documents, not photocopies.
4. Take your application form and evidence to the Finance Office at Campsmount. Any original documents will be photocopied by a member of staff and returned to you for safekeeping.

All application forms will be checked to ensure they have been fully completed and the supporting evidence checked to ensure the application meets the scheme requirements before being processed.

When do I need to apply by and how will I hear the outcome?

The deadline for applying is **20th October 2023**. We will consider late applications but will consider these after we have processed all the applications received on time.

We will write to everyone who applies to tell you the outcome of your application

We will also contact you if we need more information from you to process your application.

What should I do if I'm not happy with your decision?

If you think we have incorrectly assessed your eligibility, please phone the school Finance Office on 01302 700002 to discuss your application. After your eligibility has been further checked, if you are not satisfied with the decision, you may appeal in writing to the Principal, explaining why you feel you might be eligible. The Principal's decision is final.

How will you pay me?

Bursary payments will be made into your own bank account by a process called BACS transfer.

It is essential that you have a bank account in your name as payments can only be made into your own account via a bank transfer. Payments are not permitted to a parent or carer's account and cash or cheque payments will not be made.

It is important that you make sure that your bank or building society is able to accept BACS transfer before you provide your bank account details. Post Office accounts and some Credit Unions do not accept BACS payments.

Separate arrangements will be made for the payment of any one-off contributions from the discretionary support fund, since these are likely to involve the school paying directly towards the costs of an activity or equipment e.g. trip costs, UCAS fees or reimbursing students for expenses incurred, e.g. transport costs. Because this support fund is subject to there being sufficient funds available, consideration of contributions may have to be delayed until the Spring Term to ensure that available funds are not exceeded.

How long will I receive payments for?

As long as you meet the terms of your Learner Agreement, payments will continue for the duration of the school year 2023/24

There is no guarantee that you will receive funding next year even if you are eligible this year since the terms of the scheme may change. If the scheme does continue new applications must be submitted for consideration every year.

Where can I get more information on the 16 to 19 bursary scheme?

General information on the bursary scheme is available on the Gov UK website – <https://www.gov.uk/guidance/16-to-19-education-financial-support-for-students#to-19-bursary-fund-1>

What happens if my financial or living circumstances change?

If you have a change of personal circumstances such as a change of address or household income, you must let us know immediately by writing to the school for the attention of the Finance Office.

Any overpayments will be repayable.

If you change your bank account details you must also write to us immediately. We can only accept changes to bank details in writing since we will need to check your signature against your original application.

If you leave school before completing your course, your payments will be stopped.
