

CAMPSMOUNT

9th November 2023

Dear Parent,

Class Charts - Parent Account

From September, Campsmount has introduced a new system called Class Charts. This exciting new system enables the academy to record and share live information with parents about your child's attendance, behaviour and positive engagement in their learning.

Please note, this does not replace the parents SIMS app which is still a key method in accessing information such as your child's academic reports.

The next phase of our implementation of Class Charts is the introduction of parent accounts. Following this message you will receive an email with instructions on how to access your Class Charts parent account. This will also contain your unique parent access code linked to your child's information. This account is accessible through both the Class Charts parents and the Class Charts website.

Please see the attached poster providing a quick guide on how to set up your account. In addition, please follow the link below to a short video showing what information you can access from your parent account.

[Class Charts How to Video](#)

To support with any queries that you may have in using your Class Charts account please contact the academy through the email address below for further support.

classcharts@campsmount.com

Yours sincerely,

Mr E Chapman
Assistant Principal

CAMPSMOUNT

Don't forget to sign up to Class Charts!

Scan the QR code below or type in the following web address to take you to the parent login for Class Charts

<https://www.classcharts.com/parent/login>

How to sign up!

1. Open the Class charts web page using the QR code or the web address
2. Enter your email address
3. Choose 'I don't have an account yet'
4. Enter your parent access code (you can find this on your email or one of the members of staff at the Class Charts desk) and name
5. Click log in!
