

CAMPSMOUNT

22nd August, 2024

Dear Parents and Students,

Congratulations, Year 11!

We are thrilled to congratulate our dedicated and hardworking Year 11 students on their exceptional achievements in this year's GCSE and vocational exams. Their dedication, commitment and effort have led to remarkable results that deserve celebration.

We are especially proud of our students for how well they have managed the extra challenges that come with being in Year 11. From attending period 6 lessons, facing Pre-Public Exams (PPEs), and putting in dedicated time and effort for revision and coursework, to willingly participating in extra tuition sessions – their resilience and determination have truly shined through.

Among our exceptional achievers, we extend a special congratulations to Nancie Broadhead, Savannah Riley, Harry Reed and Betty Coberman (to name a few) for their outstanding performance, achieving exceptional grades across a wide range of subjects.

Importantly, these outcomes will enable our students to progress confidently to the next phase of their education, employment, or training. We see our students moving on to develop their knowledge and skills further at sixth form and college, studying courses ranging from English Literature to Mathematics. Equally impressive are those students pursuing an apprenticeship in a variety of key employment sectors.

As we celebrate these accomplishments, we want to express our pride in the achievements of all our students. We believe that each individual has a bright and promising future ahead, and we wish them the success they deserve.

Please accept our heartfelt thanks to you, the students and staff for working so hard to make these outcomes possible.

Yours sincerely,

Sophie Moreton
