27<sup>th</sup> August 2024

Dear parents,

I am pleased to introduce myself as the new Headteacher of Campsmount Academy. It is a privilege to lead such a great school, and I am excited to be part of a community that values both academic success and the well-being of our students.

I have worked in education for many years as a teacher, leader and in school improvement, and I am eager to bring my knowledge and passion to Campsmount Academy. Our school has a strong commitment to inclusion and high expectations, and I look forward to continuing to build on that foundation together.

Having spent over eight years working within the Doncaster Borough I understand the importance of collaborating closely with parents and the wider community to help every student succeed. Together, we can ensure that our students enjoy their time at school, make excellent progress and are well-prepared for the future.

## **Start of Term Expectations**

As we approach the new academic year, I would like to remind everyone of our key expectations for the start of term. Please ensure that your child arrives on time; our doors open at 8:15am for an 8:30am start. Furthermore, please ensure that they are dressed in the correct uniform and are ready to engage with their learning from day one. This really helps us to set a positive tone with all students for the year ahead. ([Campsmount Uniform Expectations 24-25](#))

Attendance plays a crucial role in a student's success. Attending school every day ensures that your child doesn't miss out on vital learning opportunities and helps them stay connected with their peers and teachers. Consistent attendance builds strong academic habits and lays the foundation for future success.

## **Other Important Notices**

Over the summer we have introduced new safety measures for our school driveway and parking areas to enhance the safety of everyone in our school community. From Wednesday 4th September you will notice an increased staff presence on the driveway and in the surrounding areas during drop-off and pick-up times. Please be aware that parents are not permitted to drive into the staff parking area near the school building unless they have a pre-arranged appointment or require access to designated disabled parking spaces.

Thank you for your co-operation in reinforcing these expectations at home. Your support is crucial in creating a safe and productive learning environment. We look forward to welcoming all students back to begin a successful school year together.

Yours sincerely,

Miss J Proctor  
Headteacher
