

# CAMPSMOUNT

25<sup>th</sup> October 2024

Dear Parents

As we come to the end of the first half term, I would like to take this opportunity to thank you for your continued support in making this such a positive start to the academic year. It has been a busy and productive few weeks, and we are proud of how well our students have settled into their routines and embraced the challenges ahead.

Our students have shown great commitment to their learning, and it has been fantastic to see so many engaging in both their lessons and wider school activities. From academic achievements and participation in extracurricular clubs to representing the school in sports, many have also taken the initiative to connect with local businesses during in-school visits, gaining invaluable careers advice. Their enthusiasm and dedication have truly been impressive.

We understand that returning to school after the summer break, especially for our Year 7 students, can be a significant transition. To support this, our Wellbeing Hub and Drop-In Services have been actively used, providing students with the emotional and academic support they need to settle in smoothly. We encourage all students to continue accessing these valuable resources whenever they feel the need.

In addition, we proudly marked World Mental Health Day by wearing yellow, raising awareness and demonstrating our collective commitment to fostering a positive and supportive environment for everyone in our school community.

After the half-term break, we will continue with our key initiatives aimed at improving the educational experience for all our students. Our Year 11 students, in particular, will begin focusing more on their upcoming PPE exams. The revision strategies shared at our recent Year 11 Parents' Evening will be crucial in supporting their success. Please help us by ensuring that students return on Monday, 4th November, prepared and ready to learn.

Please also note a slight calendar change for the end of term: students will finish for the Christmas break on Thursday, 19th December, at 1pm after enjoying their Christmas lunch and celebrations.

As always, please do not hesitate to reach out if you have any questions or concerns. We are committed to maintaining open lines of communication between home and school, as this partnership is essential to our students' success.

Wishing you all a restful and enjoyable half-term break.

Yours sincerely,

Miss J Proctor  
Headteacher
