

CAMPSMOUNT

21st October, 2024

Dear Parent,

We are delighted to inform you about the many successful provisions that have been offered this half term to all Year 11 students.

This half term, students have:

- attended Thursday Period 6 sessions
- completed an English Walking Talking Mock
- attempted pre-public examinations in English and Maths
- been issued with subject revision guides and new planners
- attended the Year 11 revision evening
- learnt about effective revision strategies
- completed a careers survey on Compass+
- booked one-to-one careers appointments
- had assemblies delivered by external careers advisors
- been awarded Achievement Points as part of Passport to Prom
- worked towards achieving the Going for Gold pledges

The many strategies detailed above are designed to enhance your child's experience of Year 11, hence why attending school is so important. Regular attenders are significantly more likely to achieve better outcomes and to transfer more easily to further education. We have been thoroughly impressed by our Year 11 students and the effort, care, and maturity they have shown towards their studies so far. We would also like to thank you for your continued support to ensure that your child attends and is successful this academic year.

Key dates for your diary:
