

CAMPSMOUNT

22nd November 2024

Dear parent,

I am writing to remind everyone of the importance of working together to maintain a safe, respectful, and supportive environment for our students and staff.

Zero Tolerance

Recently, we have experienced instances of verbal abuse towards our staff. Such behaviour is unacceptable and will not be tolerated under any circumstances. Our staff are committed to supporting and educating your children, and we ask for your full cooperation in treating them with the respect they deserve. Let us model the values we wish to instil in our students by fostering a culture of mutual respect and understanding.

Safe Drop-Off and Pick-Up

To ensure the safety of all students and families, we kindly remind you of the following expectations regarding drop-off and pick-up procedures:

- Do not drop children off on the main road outside the school as this causes significant traffic disruptions and poses a safety risk.
- Avoid dropping children off halfway up the drive.
- Please use the overflow car park for drop-off and pick-up.
- Parents/carers are not permitted to drive into the staff parking area near the school building unless:
 - You have a pre-arranged appointment.
 - You require access to designated disabled parking spaces.

We thank you for reinforcing these expectations at home and for your ongoing support in creating a safe and productive learning environment. Your cooperation is crucial in ensuring that our school remains a welcoming space where students can thrive.

If you have any questions or require further clarification, please do not hesitate to contact the school office on 01302 700002.

Thank you for your understanding, and we look forward to continuing to work together for the benefit of all students.
