

CAMPSMOUNT

2nd December 2024

Dear Parents,

Importance of Consistent Attendance

I am writing to share an important update regarding school attendance, and to request your continued support in ensuring that your child attends school every day.

We have made significant improvements in recent months, particularly in areas such as academic performance, student well-being, and extracurricular opportunities. However, we are beginning to notice a dip in attendance rates, particularly among our Year 7 and Year 10 students. Regular school attendance is essential to a child's academic success, and it is vital that we work together to maintain the progress we've made. Our current attendance stands at 91.5%, which is 1.3% below the national average.

When students miss school, they miss out on valuable learning opportunities and essential social interactions. Consistent attendance helps students stay on track with their studies, build important habits of responsibility, and develop a sense of belonging in our school community.

As a school, we are committed to providing the best possible learning environment for every student, and we ask for your support in reinforcing the importance of attending school every day. We understand that there may be occasional absences due to illness or family circumstances, but we urge you to ensure that your child is attending school as consistently as possible.

To encourage and celebrate positive attendance, we will be rewarding students at the end of this term who have demonstrated excellent attendance. We hope that this will inspire all students to prioritise their school attendance and continue making progress.

Please don't hesitate to reach out if you have any concerns or if there is anything we can do to support you and your child with attendance. Together, we can ensure that all students continue to thrive academically and socially.

Thank you for your ongoing support.

Yours sincerely,

Miss J Proctor
