6<sup>th</sup> December 2024

Dear Parents.

## **TikTok "Super-Man" Trend**

I hope this letter finds you well. As part of our ongoing commitment to keeping you informed about matters that may affect our school community, we would like to address a recent trend circulating on TikTok involving the 'Superman' trend.

This trend involves at least three participants; two link arms to form a base while the third leaps into their grasp, striking the iconic 'Superman' pose (one arm extended forward with a closed fist). While many of these videos may seem harmless or entertaining, there are growing concerns about students participating in similar activities on school grounds, some of which could pose safety risks or disrupt the learning environment.

We understand that trends like these can be appealing, but we encourage parents to discuss with their children the importance of making responsible decisions, especially when it comes to engaging in activities inspired by social media. Some of the behaviours associated with this trend may inadvertently cause harm or create an unsafe atmosphere for others.

As a school, we are monitoring this situation closely and will address any incidents with the appropriate measures. We kindly ask for your support in reinforcing the following messages with your children:

- Social media trends should be approached with caution, and safety should always be the priority.
- Actions that could disrupt the school environment or endanger themselves or others are not acceptable.
- It's important to think critically about online content and the potential consequences of imitating it.

Should you have any questions or wish to discuss this matter further, please do not hesitate to contact the school office. Thank you for your partnership in helping us maintain a safe and productive learning environment.

Yours sincerely,

Mr Broad  
Deputy Headteacher / Designated Safeguarding Lead
