

CAMPSMOUNT

12th September 2025

Dear Parent,

We are pleased to share that the start of term has been a great success. Students have returned with a focused and positive attitude, demonstrating our high expectations in their behaviour, effort and presentation. It has been wonderful to see them engaging so well in lessons and around the academy. We are also reminding all students of the importance of attending school every day, aiming for at least 97% attendance to give them the very best chance of success.

This year Campsmount Academy will be supporting

Jeans for Genes Day on Friday 19th September.

1 in 25 children is affected by a genetic disorder, which can make everyday life incredibly challenging. That's the equivalent of one student in every class. By taking part in this national event, we can help to make a real difference to the lives of these children and their families.

On the day, all students and staff are invited to wear jeans with their usual school shirts, ties and blazers. Students who choose to take part may also wear non-school shoes with their jeans.

We are asking for a £1 donation from each student who would like to get involved. Donations will be collected on the school drive in the morning and during ASPIRE time. In addition, Jeans for Genes wristbands will be available to buy throughout the week for £1 each, with all proceeds going directly to this worthwhile cause.

Thank you in advance for your support in helping our school community raise awareness and vital funds for children with genetic disorders.

Yours sincerely,

Miss J Proctor
Headteacher
