

# CAMPSMOUNT

12<sup>th</sup> December 2025

Dear Parents,

## **Parent Survey Results**

Thank you to everyone who took the time to complete our recent parent survey. We received 98 responses, and your feedback plays an important role in helping us celebrate our strengths and identify where we can continue to improve.

I am delighted to share that this year's results show a very positive picture of life at Campsmount Academy, with significant improvements across almost every area.

### **Key Highlights from the Survey**

- Student happiness (93%) and feeling safe in school (95%) are both considerably higher than national figures, which stand at around 80% and 82%.
- The school's approach to behaviour has strengthened significantly, with 90% of parents saying students are well behaved, compared with a national average of 74%.
- One of the most striking improvements is in how we respond to bullying concerns. Positive parent responses increased from 39% last year to 89% this year, exceeding the national figure of 77%.
- Parents continue to value our curriculum and wider offer. 96% were positive about the range of subjects available and 91% about clubs and activities, both above national levels.
- Overall satisfaction is extremely high, with 95% of parents saying they would recommend the school to another family, compared to a national figure of 76%.

### **Next Steps and Areas for Continued Improvement**

While the results are extremely encouraging, the survey also highlighted areas where we will continue to focus:

- Improving curriculum communication: Some parents would like clearer information about what their child will learn throughout the year. We will be strengthening our curriculum overviews and making these easier to access and understand.
- Strengthening SEND provision: We are enhancing communication with families, reviewing individual support plans, and ensuring greater consistency of support in lessons.

We are incredibly proud of the progress reflected in these results. They show that Campsmount Academy continues to move forward strongly, and we remain committed to providing the best possible experience for every student and every family.

Thank you once again for your ongoing support.

Yours sincerely,

Miss J Proctor  
Headteacher
