

CAMPSMOUNT

20th February 2026

Dear Parents,

We are very much looking forward to welcoming students back to Campsmount Academy following the February half-term break. The new term begins on **Monday 23rd February**, and we are keen to start positively, with high expectations around attendance, punctuality, behaviour, and readiness to learn.

This is a particularly important time in the academic year, especially for our Year 11 students, who are now moving firmly into the examination season, with the next round of PPE's starting on Thursday 26th February. Strong routines, excellent attendance, and full engagement in learning will be crucial in ensuring that students achieve their very best outcomes.

Start of Term Arrangements

To ensure a calm and purposeful start to the school day, please note the following expectations:

- Arrival time: Students may arrive on site from 8:15am and must be on site by 8:25am for a prompt start.
- Breakfast Club: Our Breakfast Club will continue to operate each morning. Free bagels are available to any students who are on site, helping ensure they are ready to learn from the start of the day.
- Uniform: Students must wear full academy uniform, including:
 - Academy blazer and tie
 - White shirt (tucked in at all times)
 - Academy trousers or skirt
 - Black leather school shoes

The following are not permitted: hoodies, extreme hairstyles or colours, false nails, false eyelashes, or jewellery.

Equipment:

All students must arrive fully prepared for learning and bring:

- Black pen
- Pink pen
- Pencil
- Ruler
- Eraser
- A suitable school bag

Mobile Phones

In line with current government guidance, mobile phones are not permitted in school. If a mobile phone is seen, it will be confiscated and securely stored. Parents and carers will be expected to collect the device from Main Reception. We appreciate your support in ensuring students do not bring mobile phones onto site.

Attendance Expectations

Students should aim for **95% attendance or above** and should attend school every day. Holidays must not be taken during term time, and appointments should be arranged outside school hours wherever possible. Regular attendance remains one of the strongest predictors of academic success, particularly as students approach key assessments and examinations.

Site Safety and Parking

We would also like to thank parents and carers for their continued cooperation in helping keep our school site safe. Please continue to drive sensibly and carefully when using the academy driveways, following the one-way system at all times. We kindly ask that you do not park in front of the bus bay at pick-up times or on the grassed areas, as this creates safety risks for students and staff. Your support in modelling safe and considerate behaviour is greatly appreciated.

Thank you for your continued support in reinforcing these expectations. By working together, we can ensure that all students return ready to learn, focused, and prepared to make the most of the opportunities ahead.

We are very much looking forward to welcoming students back and starting the new term positively.

Yours sincerely,

Miss J Proctor
Headteacher
