CAMPSMOUNT

26th August 2026

Dear Parent,

Welcome to Campsmount Academy – We Can't Wait to See You!

We hope you and your child have had a wonderful summer and have enjoyed a well-deserved break.

As September approaches, we are incredibly excited to welcome our new Year 7 students to Campsmount Academy. This is such an important and exciting milestone, and we know many of our students will be looking forward to meeting their new teachers, making new friends, maintaining existing friendships, exploring new subjects and experiencing our fantastic facilities for the very first time as a Campsmount student.

We are very much looking forward to welcoming your child on **Wednesday 2nd September** as they begin their journey with us at Campsmount Academy.

A reminder that our school offers a free breakfast provision from 8.00am each morning, and students are welcome to arrive from this time. **All students should be on site and ready to enter school by 8.20am** to ensure a calm and positive start to the day.

We understand that starting secondary school can be both exciting and, for some students, a little daunting. If there are any barriers that may prevent your child attending on Wednesday 2nd September**,** for example, concerns regarding **uniform, transport arrangements, or general worries** about starting school please get in touch with us via the email below. Our team is here to help, and we will do everything we can to support your child and family to ensure a successful start at Campsmount.

We are extremely proud of our school community and cannot wait to welcome our newest students through the doors. We look forward to seeing them on Wednesday 2nd September and helping them begin what we hope will be a happy, successful and memorable journey with us.

If there have been any changes to your circumstances over the summer holidays and your child will no longer be joining us at Campsmount Academy, please let us know as soon as possible.
