CAMPSMOUNT

1st November 2026

Dear Parents,

We hope you and your family have enjoyed the October half-term break and have had the chance to rest and spend valuable time together ahead of the new term. We look forward to welcoming all students back on Monday 2nd November 2026 for a positive and successful half term.

Thank you to everyone who completed our parent survey. We received some positive feedback, and it was lovely to hear about the things you feel are working well for your child. Your voice is important to us: your experiences and suggestions help us understand what we do well, where we can improve and how we can best support our students and families. We value the partnership between home and school and appreciate you taking the time to share your views.

As we return, please help your child get back into a good morning routine. A reminder that students may arrive from 8am, for breakfast club, and must be on site by 8:25am, ready for a prompt 8:30am start. Arriving on time helps students settle into the day and make the most of their learning.

Regular attendance is equally important, as every school day builds on previous learning and gives students opportunities to develop their knowledge, confidence and friendships. Students should attend every day and aim for attendance of at least 95%. Holidays must not be taken during term time, and appointments should be arranged outside school hours wherever possible.

Please ensure your child returns in full, smart academy uniform, including their blazer and tie, a white shirt, formal trousers or skirt, and black leather shoes. Hoodies, extreme hairstyles or hair colours, false nails, false eyelashes and jewellery are not permitted. With colder winter weather approaching, please also make sure your child has a warm, suitable coat so they are comfortable on their journey to and from school.

Having the right equipment helps students feel prepared and ready to learn. Students must bring a black pen, pink pen, pencil, ruler and rubber in a suitable school bag. Please remember that a 30-minute detention will be issued if the correct equipment is not brought to school.

We also ask for your continued help in keeping our school grounds safe at the start and end of each day. Please follow the one-way system, observe the 10mph speed limit and use the designated drop-off area. The main car park should only be used for drop-off and pick-up, if you have made specific arrangements with the school. Thank you for helping us make arrival and departure safe for all our students, families and staff.

Our Key Stage 4 students will complete assessments when we return. This is an important opportunity for us to understand their progress and identify any additional support they may need. Please support your child in attending and completing all their assessments and encourage them to arrive prepared and do their best.
