

Live Support Sessions – Year 9

15th June – 19th June

You will be able to access the following Live Support Sessions via Teams. **You will receive an invite shortly before the Live Support Session begins.** Remember, these sessions are not compulsory; you don't have to attend them all. You don't have to be there at the start of the session and you don't have to stay until the end.

The sessions are designed to provide help with the work that has already been set. You should join the sessions if you want to speak to your teachers, ask a question or share your work. You can also ask for help by adding a question to the Posts screen.
