### **Online Ordering – Getting Started**

Ordering online couldn't be easier. Simply visit our website [www.swischoolwear.co.uk](http://www.swischoolwear.co.uk) and select either 'EXISTING PARENT? Login or NEW TO SWI?'

#### **Existing Customer?**

If you're an existing SWI customer, your account and account settings will be available on the new website. The only change will be, for security reasons, we will be asking you to re-enter your password. You will only need to do this once.

Your children will be associated to their existing school.

#### **New to SWI?**

New customers will be asked to register and follow the online instructions to link their account to a chosen school. Once you are registered (and you have added students to a school) you can begin to order straight away. This is the same as the old school.

#### **School Store**

To start shopping with us, once you are logged in, you will need to click on 'School Store' in the header of the site. This page will list all of the products associated with your school.

All of the uniform and PE kit products will be displayed with an indication if the product is compulsory. To make things easier, you can easily filter the gender of the products and whether they are compulsory or optional.
