September return to School and testing schedule for students

Dear Parent,

As you will have heard in the news, the Government are asking all schools to test students for Covid-19 prior to their return to the academy in September. To allow us to organise this, the students will return over a period of five days. Indeed, a number of year groups will be called in early to start the testing process, allowing us to get all our students back into school in as short a time as possible.

Testing arrangements for all year groups are as follows:

Year Group	Test 1 Date	Return to School Date
Y7	Wednesday 1st September	Thursday 2nd September
Y11	Thursday 2nd September	Friday 3rd September
Y12	Thursday 2nd September	Friday 3rd September
Y10	Friday 3rd September	Monday 6th September
Y13	Friday 3rd September	Monday 6th September
Y9	Monday 6th September	Tuesday 7th September
Y8	Tuesday 7th September	Wednesday 8th September

Arrangements for Test 1

- Students will be allocated a set time to be tested. Details will be sent via email towards the end of August.
- On arrival, students will wait outside the entrance to the Sports Hall at their allocated time.
- Students will be required to leave the site immediately after their test and return home.
- Students do not need to wear uniform for test day 1 as they will only be on site for a short period of time.
- From Monday 6th September, all students in Year 8 and Year 9 will be expected to attend all online remote lessons throughout the day.
- Parents will be notified of the result via text/email from NHS track and trace, if the result is negative, your child will officially start on their allocated return date. If the result is positive, you will be contacted by school.

Test 2 will be completed over the following weeks around learning time, Students must attend school as normal during this time.

Part of Leger Education Trust

Students will not be tested without a completed consent form. If you have not given consent for your child to be tested, your child must return on their official return date.

If your child has previously tested positive for Covid-19, it is important they are **NOT** retested for 90 days after their result. If your child has tested positive for Covid-19 in the last 90 days please notify the academy via email on covid19@campsmount.com please include your childs full name, year and tutor group.

If you have not yet completed a consent form and would like your child to be tested, please follow the link below:

Consent Form

Further information and the consent form is also available on the Covid-19 page of our website.

Once again may I thank you for your continued support and understanding. If you have any questions regarding the reopening of Campsmount Academy and testing plans please do not hesitate to contact the academy.

Kind regards,

Elizabeth Browne,
Principal
