

CAMPSMOUNT

Friday 17th September 2021

Autumn Term Camps Mount Academy Weekly Bulletin 3

Bottled Water

Due to the national food and drink shortages, we have not been able to order our usual quantities of bottled water and bottled juice and therefore supplies are limited. We would advise that all students bring a reusable water bottle with them every day which can be refilled using onsite water coolers.

Year 5 and 6 Open Evening

Join us for our Year 5 and Year 6 open evening on **Thursday 23rd September 4.30pm – 6.30pm**. Come and appreciate our fantastic facilities, meet our amazing staff team and take part in a range of exciting subject based activities.

Year 11 Information Evening

We are holding an information evening for all Year 11 students and parents on **Thursday 30th September from 4.30pm**. During the evening we will share information about the year ahead, this will include how we will support your child in their preparation for coursework and exams. Our directors of English, Maths and Science will present specific updates and requirements related to these important subjects and there will also be the opportunity to order revision guides.

There are 2 bookable timeslots and details of how to book a slot have been sent out via email to all Year 11 parents.

Roald Dahl Day

Monday 13th September was Roald Dahl Day, the English department held a range of wonderful activities, all in honour of the amazing writer that was Roald Dahl. Thank you to everyone who got involved!!

Extra-Curricular Activities

We are delighted that our, after school, extra-curricular activities started this week. Further details of the sessions on offer can be found on our Twitter page @CampsMountAcad.

Covid-19 Testing

As you are aware all students have been offered 2 Covid-19 tests at our on-site testing centre over the last 2 weeks. We have now completed our on-site testing and will be moving again to the at home testing system.

CAMPSMOUNT

All students are encouraged to test at home twice a week** and to report the results to both school (using the link below) and the NHS (as directed by the instructions in the kit).

[Home Testing Result Form](#)

Current guidance states that anyone who has previously received a positive COVID-19 PCR test result should not be re-tested within 90 days of that test, unless they develop any new symptoms of COVID-19. In light of this we are asking parents to let us know if their child requires a pack of tests and they will be distributed to students as soon as possible. Students will only be issued with tests if these have been requested.

[Covid-19 Testing Kit Order Form](#)

If you are unable to complete the form, please contact reception on 01302 700002 to order a kit.

Students with a positive LFD test result will need to self-isolate in line with the stay-at-home guidance. They will also need to arrange a lab-based polymerase chain reaction (PCR) test to confirm the result.

Those with a negative LFD test result can continue to attend school and follow the current protective measures.

*** At home testing with LFD devices should only be used by individuals who are asymptomatic. Anyone with symptoms of Covid-19 should isolate and take a PCR test as soon as possible as per the current guidance.*

I would like to take this opportunity to thank you for your continued support and I wish you a great weekend.

Kind regards,

Elizabeth Browne
Principal
