1. AIMS

1.1 This policy statement aims to set out the arrangements at Campsmount Academy for managing the access of education and training providers to students for the purpose of giving them information about their offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

2. STATUTORY REQUIREMENTS

2.1 Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 7 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

2.2 Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

2.3 This is outlined in section 42B of the [Education Act 1997](#).

2.4 This policy shows how Campsmount Academy complies with these requirements.

3. STUDENT ENTITLEMENT

3.1 All students in years 7 to 13 at Campsmount Academy are entitled to:
