

CAMPSMOUNT

18th January 2022

Partial School Closure

Dear Parent,

We have been very fortunate as an academy to have managed staff absences over the last 18 months during the pandemic and have avoided year group closures in comparison to other schools.

At this moment in time, due to the exceptional level of staff absence over the next few days linked to covid-19 we are unable to safely accommodate all students in school. We have therefore made the decision to ask two of our year groups to access their learning remotely at home for one day this week.

Wednesday 19th January – Year 9 remote working at home

Thursday 20th January – Year 7 remote working at home

Friday 21st January – All students on-site

Students in Year 9 and Year 7 are expected to access their work, in line with their timetable via TEAMS, work will be posted on the class team by the teacher, please see an example attached. The lessons will not be live, however the work will be monitored by the classroom teacher.

I apologise for any disruption caused. Please be reassured that we will continue to do everything we can to avoid further year group closures and this will always be a last resort strategy.

Kind regards,

Elizabeth Browne
Principal
