

CAMPSMOUNT

6th May 2022

Dear Student,

We are writing to you today to tell you how wonderful Campsmount Academy is.

- My name is Finlay Sanderson and I am in Year 9
- My name is Savannah Riley and I am also in Year 9

We are both part of the student leadership team in school.

On our first day at Campsmount we were really excited but also very nervous about coming to a bigger school. It's okay to be nervous, but please don't worry. It is really easy to navigate around the school building because of the colour coding system.

The teachers at Campsmount are very good and I enjoy my lessons because the subjects are interesting and the teachers make the lessons exciting. I have learnt a lot since coming to Campsmount. We study lots of different subjects in addition to English and Maths, such as Geography, Science, French, History, Art, Dance, Drama, PE and Music.

There are lots of opportunities for you to take part in extra- curricular activities. Examples of the activities you can do are; cricket, netball, Art club, singing group and many more. You can represent our school by joining a team such as our very successful football team or take part in our annual Dance competition.

At Campsmount we offer a wide range of break time snacks and treats that you can purchase from the diner, breakfast is also available if you wish. We have half an hour for lunch and we have lots of choice. We particularly enjoy the paninis with lots of different fillings!

Our building is still very new and we have lots more facilities for you to enjoy such as the Drama studio. If you have a passion for Music, you will be pleased to know that the Music department offers a number of practice rooms to practice in and we have a range of instruments for you to use. We have drum kits, an electric drum kit, pianos, music development software, boom whackers and guitars. If you wish to learn how to play the instruments available you can also sign up to do one –to- one instrument lessons.

If you ever need help or support in school you can go to a teacher, your Pastoral Leader or your Head of Year.

Coming to Campsmount will give you the opportunity to make lots of new friends from different Primary schools. We hope that you will really enjoy your time here and we look forward to meeting you.

Yours sincerely

Finlay Sanderson
