

CAMPSMOUNT

10th March 2023

Dear Parent,

Full school closure due to adverse weather conditions

As you are aware, the Met Office have issued an amber weather warning meaning there is an increased likelihood of disrupted travel due to severe weather conditions. The impact is evident in areas to the North, West and South in particular.

The safety of our staff and students is our priority and there are a significant number of staff who are unable to safely travel to work today. We have therefore made the decision to close the school to all staff and students on Friday 10th March 2023.

Students are expected to access English, Maths (Sparx) and Science (Educake) work via their class TEAMS.

I hope you can understand the reason behind the decision and please accept my apologies for any inconvenience caused.

Yours sincerely,

Mr I Midgley
Principal
