

## Year 11 Science Revision Resources

As exam season approaches, please find below some resources to support students with preparation for their Science exams. To ensure the revision is tailored correctly the exam board is AQA.

### **Educake**

Your child will have their own login details and assignments set weekly however they are able to set their own assignments to support revision also.

[Educake - Online Formative Assessment for Homework and Classwork](#)

### **Physics and Maths Tutor**

Lots of revision resources included for free from flash cards to past papers.

[Physics & Maths Tutor \(physicsandmathstutor.com\)](https://www.physicsandmathstutor.com)

### **Kayscience**

Free revision resources including videos and supporting questions.

[KayScience | Watch, Learn and Revise with Kay Science](#)

### **Primrose Kitten**

Videos, exam questions and multiple choice questions to support revision.

[Primrose Kitten. Tutorials for Science and Maths | Primrose Kitten](#)

### **Seneca**

A variety of questions across Biology, Chemistry and Physics.
