

Welcome to the end of half-term five.

Firstly, I would like to thank those in the community that were able to give their time and join us at the parent forums. We enjoyed the chance to meet outside of school, in our local setting to discuss some key parts of the school, that included; teaching & learning, assessment, attendance and morning routines.

Morning routines are changing on the Monday we return after the half-term break. This is to support students being prepared, respectful and safe. A six-minute clip outlining the entrance can be viewed by clicking [here](#).

I am very proud of how the Year 11s have entered into the summer exam season. Everything is and has been done to 'create the best version of *themselves* today, for success tomorrow' – the important thing is for them to leave knowing that they have given it the best effort that they could as an individual.

### CELEBRATING CAMPSMOUNT

At Campsmount we recognise the importance of celebrating and rewarding the successes of our students and this term has been no different. From Library rewards to ASPIRE sticker streaks to our Brilliant Club Scholars and celebrating the Coronation of King Charles III. 220 students in Years 7-9 have been invited to take part in a Golden Ticket reward after half term involving a travelling zoo!

Follow our social media pages to celebrate with us!

*'Creating the best version of you today, for success tomorrow'*

### TEACHING AND LEARNING

The Teaching and Learning team would like to acknowledge the hard work of staff and Year 11 students. Over the course of this year, students have attended: Period 6 sessions; boosters held over the holidays; revision lessons before exams; English Saturdays sessions, and have developed their memory, completing 'Recall on the Door' every day. On top of this, they have engaged with Sparx and Educake homework, completed regular assessed pieces in English and significant amounts of independent revision. It is clear to see that our staff and students have demonstrated our key drivers of **Ambition: Support: Persistence: Integrity: Resilience: Effort** adopting the many strategies above to ensure that we work together to 'Create the best version of you today, for success tomorrow'.

### ASPIRE

The ASPIRE programme supports all students with their Personal Development and highlights the importance of Ambition, Support, Pride, Inspiration, Resilience and Effort. The theme of this half term has been 'Ambition' and students have engaged in activities during their ASPIRE time. Students have had the opportunity to learn about and discuss headline topics that affect all of us in life including; Should more be done to protect our oceans? Does the Coronation reflect the UK today? Is it okay to ban a book?

The message of ambition has been reinforced this half term by allowing students to take ownership of developing their careers portfolio. Opportunities Doncaster have supported both our Year 10 and Year 12 students with mock interviews that have been delivered by a range of employers from Doncaster including CPH2O, Work Creative, CWE Ltd, VolkerRail, Wavin Ltd, HSBC, RAF and Doncaster Chamber.
