

CAMPSMOUNT

July 2023

Dear Parent,

Year 6 Transition Arrangements

I am delighted to be able to write to you to formalise your invitation to our transition days at Campsmount Academy.

- Transition days - **Tuesday 11th, Wednesday 12th and Thursday 13th July**
- Transition Evening - **Thursday 13th July 5pm-6.30pm** – An important information sharing event where you will also get to meet your tutor.

Students will need to bring a pen, pencil, ruler, PE kit and other than a single pair of studded earrings and a watch jewellery is not permitted. It is recommended that they bring a morning snack, if required. Students will need to bring a packed lunch. Those entitled to free school meals will be catered for the same as they are in their own school. Parents and students are responsible for their own travel arrangements to and from school. Students need to arrive at Campsmount by no later than 8.45am with our school day finishing at 3.00pm.

Over the course of the 3 days they will get to experience our fantastic facilities, wide ranging curriculum and gain an understanding in to some of the wonderful extra-curricular activities we offer to our students.

The [Transition](#) link on our website has now been updated with useful information to make sure that your child is ready for school in September. Our 'Moving Up' guide is accessible electronically via this link. This document contains information on our Vision, Values and Expectations, uniform, pastoral systems and extra-curricular opportunities amongst other things.

We look forward to welcoming Year 6 and feel sure they will enjoy this experience.

Yours sincerely,

Mrs K Elmes
Progress Leader Year 7
