

# CAMPSMOUNT

24<sup>th</sup> August 2023

Dear parents and students,

## **Congratulations Year 11!**

We are thrilled to congratulate our dedicated and hardworking Year 11 students on their exceptional achievements in this year's GCSE and vocational exams. Their dedication, commitment and effort have led to remarkable results that deserve celebration.

We are especially proud of our students for how amazingly they've managed the extra challenges that come with being in Year 11. From attending period 6 lessons, facing Pre-Public Exams (PPEs), and putting in dedicated time and effort for revision and coursework, to willingly participating in extra tuition sessions – their resilience and determination have truly shined through.

Among our exceptional achievers, we extend a special congratulations to Agata Autuch, Matthew Siddall-Lancaster and Lucy Evans for their outstanding performance, achieving exceptional grades across a wide range of subjects.

Importantly, these outcomes will enable our students to progress confidently to the next phase of their education, employment, or training. We see our students moving on to develop their knowledge and skills further at sixth form and college, studying courses ranging from a variety of A Levels to psychology and criminology. Equally impressive are those students pursuing an apprenticeship in a variety of key employment sectors, including construction and Health & Social Care.

It is also important to highlight the wider achievements of this cohort of students. Notably, those students that have successfully completed their Bronze and Silver Duke of Edinburgh Awards and students that are currently working towards their gold award. This cohort also had significant input into school performances and sports leadership that will be greatly missed.

As we celebrate these accomplishments, we want to express gratitude towards the tremendous efforts of the staff and parents that have enabled our young people. We are very proud and we believe that each individual has a bright and promising future ahead, and we wish them the success they deserve.

Yours sincerely

Mr I Midgley  
Principal
